Dear Fellow O Scalers,

Welcome to the 35th annual Cleveland 2 Rail O Scale Meet. We are one of the longest if not the longest continuously running O scale shows in the country. The show will be held at the same location Lakeland Community College with load in and load out assistance. We will have our customary complimentary coffee and doughnuts for dealers setting up on Saturday morning.

In the past we have had near crisis difficulties accommodating last minute dealer reservations so in order not to have to start imposing a penalty on late reservations please have your table and dinner reservations in to us before October 15th. The tables and dinner reservations both sold out last year.

We will have the same 2 layout tours again at the Cleveland O Scale Club and the Youngstown Model RR Club. See our layout tours sheet enclosed or visit our website at www.cleveshows.com for details.

With great enthusiasm we will again have our Friday night dinner at the old NYC Painesville Railroad Depot. The same famous dinner selections will be available again at a reasonable price. The museum group has done a magnificent job refurbishing the building adding to it a charming atmosphere. We also have a great program planned that you won't want to miss!

Again we bargained with the local Red Roof Inn for a discounted hotel fee \$49.00 plus tax (tentative price). Be sure to reserve early as the rooms sell out. To reach the hotel call 440-946-9872 and take option 6. In order to get the discounted rate please mention *the code words "train meet"*.

Our hours of the show are from 9:00AM until 2:00PM. Dealers can load in Friday from 12:30PM approximately until 5:00PM and Saturday from 7:00AM until 9:00AM. In our efforts to keep this a solid show we again insist that all vendors keep their merchandise available on tables and REMAIN in attendance the full duration of the show. Your support is noted and is greatly appreciated on this matter.

The address of the show is 7700 Clocktower Dr., Kirtland, OH 44094.

Looking forward to a great show!

Sam Shumaker
